

BUENA VISTA AUDUBON SOCIETY BIRDHOUSE AUCTION
REGISTRATION FORM

Here's how it works... Create a birdhouse, bat-house or birdfeeder in any medium. It can be functional or decorative. The more unique the better. You can build your own or request an undecorated birdhouse from BVAS to get you started (there is an \$8.00 fee to cover our cost).

All finished houses/feeders will become part of the silent auction event at the Buena Vista Nature Center on February 25, 2012. Finished houses/feeders must be delivered to BVAS by February 18, 2012 so we can publicize your creation. The top three vote getters will be awarded prizes. To register, just fill in the form below. For more information, please call (760)-439-2473.
